SPD Consultant#Dfc ^WtiA UbU] Yf

Arnett started his SPD career as a corpsman in the military over 25 years ago. For the last 10 years Arnett has been working as a consultant assessing the operational and technical performance of SPD Departments across the country. Along with turning around poorly functioning SPD Departments, Arnett is frequently asked to provide advice on capital needs for SPD Departments. Arnett has the ability to manage all aspects of an SPD project and is proficient in staff retraining to ensure understanding and continuity of the process changes that need to occur. Arnett also has extensive experience in working in both a union and non-union environment.
