

## **BIOGRAPHICAL SKETCH**

**Moneesh Bhow, MD, FACEP**

---

### **Medical Consultant-Clinical Performance, ProviXer Efficiency and Quality Assurance**

Dr. Bhow received his medical degree from the State University of New York at Downstate and completed his residency in Emergency Medicine at Beth Israel Medical Center in New York City. Along with his consulting work, he serves as ED Chairman and Medical Director at a 650 bed, Level 1 Trauma Center, teaching institution, and Magnet hospital, in Phoenix, Arizona, where he is a member of the Medical Executive team, as well as facility throughput and patient experience committees. His experience in systems and process improvement includes his work for Medaire's International SOS, and he recently directed the rollout of Medlink's international operations in Beijing. He is an expert in improving patient throughput, provider efficiency, patient experience and patient safety. Dr. Bhow is board-certified in Emergency Medicine, and is both an ACEP Fellow and member of SAEM.
